We can start selling tickets. The historical society capacity is 70 people, so we need to cap tickets at 50.

We need to send out a group email to the participants with info about set-up.

Jacque Fucilla will make the dessert and get 4 oz cups and spoons. She also knows someone who can engrave a spoon for the winner. Ann Mueller and Erin McNeal will make the cornbread and get the condiments. Debe Fullington will check with the village to see if they have water bottles.

The bands and food trucks are scheduled. Still need to sign contracts.

Malta Days

We discussed how the Seedling committee is going to work with the Malta Days committee this year.

Malta Days will be on Friday and Saturday. There is no carnival, but there will be fun activities for kids. The village is looking into tethered hot air balloon rides, a petting zoo, and bouncy castle. The parade has been moved to the Fall festival. Friday bands: Burn N' Bush and Party Doctors. Saturday bands: Dreadnaughts, Vodka Boys and Yankee Cowboy. Food: Headon's, Tinez Tacos and Historical Society in shelter house.

We discussed options for the 5K including chip timing and moving the date. We are going to keep the 5K the same for this year and ask for feedback from runners.
