Malta - Other Information

- **Burning in the Village**—yard waste or untreated lumber can be burned in containers or fire pits in a safe manor between the hours of 8 a.m. and 9 p.m. Recreational fires are allowed in a fire pit or container until midnight. Malta is one of few communities that still allow burning. Malta village code requires items burned to be dry to the touch, a nearby water source for an emergency, fires to be completely extinguished when not supervised. No fire is permitted if wind speeds are greater than 14 miles per hour.
- **Pets are allowed throughout the Village.** We all enjoy our pets, Malta code requires they be leashed at all times. Please clean up after pets to keep our Village and parks clean.
- **Harkness Lake—Prairie Springs—Non-motorized watercraft** is permitted for kayaking, canoeing & paddleboats following all State of Illinois laws for boating and water regulations. Dawn to Dusk only. Fishing limits are as permitted by State of Illinois. The lake was stocked in 2023. www.ifishillinois.org
- **Keep communication emails and phone numbers up-to-date on your utilities account.** These are our emergency and alert contact numbers for you. If there is an emergency or alert in Malta we can send you a notice only if we have your current information. Add or update your information by calling Village Hall at 815-825-2330 ext. 1 or update on your utility bill stub.
- **Boil orders and water service disruption.** From time to time water mains and service connections will need to be repaired. Not all repairs require a boil order. If your property is under a boil order you will be notified by door tag and/or text messaging/email. Contact Village Hall with water service questions.
- **Tornado Siren**—Malta now has 2 sirens to alert residents, a second siren has been installed at Village Hall. Malta's Outdoor warning sirens are now activated by the City of DeKalb and by NOAA through a radio signal. The siren is meant to alert people outdoors to take cover. All homes should have a NOAA weather radio inside to advise of weather conditions or use the NOAA weather app also.
- **Golfcarts** are legal transportation in Malta provided they have a sticker. Fee is \$35.00 and insurance is required. Applications are available at Village Hall, inspections will be done by the Malta Maintenance Department call Larry Fullington 815-825-2330 ext. 706 Please note: Golfcarts are not allowed to drive on 2nd Street or South Malta Rd. other than to cross over to another Village Street. The path to Prairie Springs is open to Golfcarts.
- **Mosquito control is contracted with Clarke Environmental.** Spraying as needed takes place in evening hours scheduled around holidays and special events. If you would like to be notified of when spraying will occur contact Clarke Environmental at 1-800-942-2555 to be added to their call list.
- **Mowing and lawn maintenance.** Village code requires that all weeds and grass are maintained not to exceed 8" in height. Properties in violation will be notified by door tag. Should maintenance not take place within the following 7 days the village will maintain the property billing the homeowner \$70.00 per hour. Keeping lawns maintained benefits everyone in the community. Please avoid blowing or leaving grass on public sidewalks or Village streets it is considered littering and clogs our drainage lines.
- **Resource Bank in Malta** is another destination for payment of your Malta utility bill. Resource Bank is open 7 days a week. Please bring your utility bill stub with you. Past due accounts can also be paid at the bank.
- **Online utility bill payments** can be made on our website www.villageofmaltail.com If you need help call us or stop by Village Hall. A drop slot for payment is also available at Village Hall, 302 S. 2nd. Street on the south side of the building drive-thru.
- **Building & Zoning** permit applications and information are available at Village Hall during business hours and also in the lobby that is open 24/7. Contact Casper Manheim with any questions at 815-825-2330 ext. 2
- **Waste Management**— At Your Door Special Collection is available to Waste Management Customers. Go to: www.WMATYOURDOOR.com or call 1-800-449-7587 to dispose of items not allowed in weekly trash. www.wm.com for other information.

Malta Building & Zoning

**Know what's below.
Call before you dig.**

Examples of when a permit is required:

- New construction of residential or non-residential buildings
- Additions
- Enclosed patios or three-season porches
- Gazebos & Pergolas
- Roofs
- Decks
- Garages
- Patio, Sidewalk, & Driveway
- Sheds
- Fences
- Swimming pools (more than 2' deep)
- Replacement windows and doors when altering the structure i.e. larger windows or doors
- Basement remodel/renovation
- Electrical, mechanical, or plumbing systems – changes or additions
- Drainage alterations of any kind
- Water/Wastewater Connection

If you are in doubt, call 815-825-2330 ext. 2 Work done without a permit will receive additional fees in accordance with Village Code.
